

Christmas Ornaments with Holly Applique Block

It's getting to that time of year again when it's time to think of quick festive projects that you can get finished in time for Christmas. With that in mind, this week's Block is an applique design of a Christmas bauble with a bow and sprig of holly. Make a single one for a wallhanging, combine a few for a table runner or use it in another Christmas design to create your own quilted masterpiece! To make this block as shown, you will need 6 different fabrics including your background. You may applique this using whichever method you prefer, but do remember to add any seam allowance for needleturn applique. This pattern is for a block 8 inches square.

Single or multiple block wallhangings, or a festive table runner.
